SERVICES

What We Build

Custom-made cupboards and installations for every room in your home

Kitchen Cupboards

Custom kitchens designed, built, and installed — from melamine to hand-painted finishes.

Bedroom Cupboards

Built-in wardrobes and walk-in closets tailored to your space and lifestyle.

Bathroom Vanities

Wall-hung and freestanding vanities in moisture-resistant materials.

Study & Office

Built-in desks, bookshelves, and storage for productive workspaces.

Loose Furniture

Freestanding units you take with you when you move — TV units, sideboards, display cabinets.

Shutters & Blinds

Aluminium, basswood, plaswood, and bamboo — measured, supplied, and installed.
